

Downloading Templates from Brady

Templates are available for labels for some printers and label formats on the Brady USA website.

Follow these steps for your template:

STEP 1: www.bradyid.com

STEP 2: Hover over **Support** until the dropdown menu appears

STEP 3: Select Software Technical Support

STEP 4: Select Software Printing Templates

STEP 5: Click on appropriate printer/label for your template or enter details in the search function (for LAT18 labels, etc click on "Label Templates for Voice & Data")
